

## **THE RUNNER**

TO: All my Friends

We would rather sell it than count it!

My all-star team of employees and I have come up with some more Adventurous pricing.

Just for you. This price list was tailored with your company in mind as we move into the future.

We will be updating our website and special offerings frequently, so keep visiting

[www.sureflowequipment.com](http://www.sureflowequipment.com) for the latest. Sure Flow will be launching New Products shortly.

Once again, thank you. Below is another A+ Photograph of Acer! My best friend.
