

No Room to Move

To: All my friends

We will not stop till December 2018.

Make sure to take advantage of this special, One-Time only pricing.

Sure Flow is ISO 9001:2015 Registered and our custom products are designed and manufactured to ASME

Section VIII, Div 1 requirements with ASME “U” Code Stamp and ASME “UM” Code Stamp and National

Board “NB” Mark available.

Sure Flow Equipment’s C-TPAT certification gives us the ability to safely and quickly ship our products around

the world. My buddy ACER knocks me on my head at 5:00am, like Sure Flow Best of Best.
